**ORDER SETTING HEARING AND TENTATIVE RULING ON MOTIONS FOR  
RELIEF FROM STAY**

Several similarly situated parties filed twenty-six separate motions for relief from stay (the "Motions").<sup>1</sup> The Motions all request that the court grant them relief from the automatic stay to pursue their appeals in the Ninth Circuit Court of Appeals.

<sup>1</sup> See Attachment 1 which names the moving parties, shows the docket numbers for their respective motions and shows the case numbers of their Ninth Circuit appeals.

1 The court has reviewed the Motions and will set the matters to be heard on May 12,  
2 2020 at 10:00 a.m. PT. The parties are permitted to appear telephonically on that date. Pro se  
3 litigants will need to make arrangements to appear through CourtCall at 1-866-582-6878. The  
4 fee for utilizing CourtCall is being waived for pro se litigants. Reservations should be made no  
5 later than 4:00 p.m. PT on May 11, 2020. Their requested hearing in the Bankruptcy Court of  
6 the Central District of California in Riverside is unnecessary as there is no reason for the matter  
7 to be heard in that court or district.

8 As for the merits of their Motions, the court is inclined to grant them unless Debtors file  
9 any oppositions by 4:00 p.m. PT on May 5, 2020. The Motions indicate that the parties are  
10 merely pursuing the next step of their appeal after waiting several years. The court sees no  
11 reason to deny Movants the ability to pursue their appeals or to interfere with the Ninth  
12 Circuit's disposition of those appeals. If Debtors do not oppose the Motions, the court will  
13 grant the Motions and take them off calendar prior to the hearing date. If Debtors do not  
14 oppose and the court grants the Motions, Movants should check the court's published calendar  
15 on its website for the Bankruptcy Court of the Northern District of California before May 12,  
16 2020 to confirm that there will be no hearing.

17 The court also waives any fees associated with filing the Motions.
